Episode 3 • Capital Hollan: Festival

Story • Art

Shin Wool

Is there a festival?

There are banners waving the symbol of the royal family everywhere.

Oh, the king's sixth wedding is being held soon...

Was it his sixth...?

What?

Lord Pined the First is a special person, so he does not age.

However, the queen has always been "normal".

Special...?

There are Contractors who say that

Scholars have been trying to find out the reason for his youth

Most of them are of high rank, so it'll be hard to obtain any information on it.

The king is a Contractor too, huh.

That Prince person was an Incredible Contractor as well.

I repeat: Citizens,
please...

A person referred to
as "R" has been spreading
rumors about the slave laws
in the Capital for quite
some time now.

He's got quite a
large bounty on him,
but he hasn't been
caught yet.

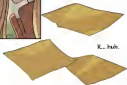

There was that incident
in February as well...

Now, you can be
fined just for holding
one, so whenever you
see this thing, just
ignore it.

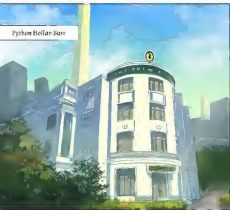

...Yes.

R... huh.

Python Hotel Base

Lady Korle arrived yesterday.
Please wait here.

Sure.

*It feels better
than the forest and
fir combined!*

*Of course, she's
the Princess, and holds
the Dragon Pearl within
her body.*

*But it's a
completely different
feeling when you
touch her!*

It's all soft and wiggly.

*But her
arms feel a
bit hard...*

LONE MANGA!

That was early

I guess it was his
instincts telling us
to obey the person

That was the...
the... the... the...

I guess it was his
instincts telling us
to obey the person

LONE PANDA.

Mama!
Mama! Don't be
rude to them.

Didn't I
tell you to stay
put...?

It's because you
keep working, even
though we haven't seen
each other in ages!

Mrs. Korinel

My greetings
to Dragon Korinel
and his Rhynors.

I heard about
what happened
in Tortunong.

The servant
took good care of
the aftermath.

More
importantly.

I am relieved that you two are safe and sound.

Come here, you two. Greet them properly.

I'm Marough.

I'm Mazarin.

Please excuse my behavior earlier.

I had you come to the Capital to introduce these two.

The person you seek is in this town as well. Lady Kozuki...

LONG MANGA!

Strike their heads, they won't put their hands in.

and should serve as excellent guides around this town.

Where are you going, Mr. Kozuki? Did something happen to the Hunters?

I don't see Mr. Kozuki as well...

That is...

Could I help you with something?

LONE MANGA!

I've only been receiving your help up till now!

so it'd be a
pleasure if I could
be of any help to
you.
